

Sustainable MEP Leaders Online Summit

June 9-11, 2020

Join us for the 2nd Annual Sustainable MEP Leaders Summit

Over the past year, we've started getting to know each other, building trust, and advancing some notable initiatives. This year we'll build on that foundation, with more sharing and strategic collaboration.

This year's Summit will be virtual. While we'd prefer to be in-person, of course, we have lots of ideas and strategies for making the online event collaborative and engaging. You might be surprised by what's possible.

As always, the agenda will be set by you, the participants. What do you want to share with others? To learn about from others? To work on together? We'll work with you to generate ideas and prioritize them.

For more information, contact RoseAnn Grimes, Peer Networks Manager (roseann@buildinggreen.com).

WHEN:

Tuesday, June 9, 3:00-5:00 pm EDT

Wednesday, June 10, 11:00 am-4:00 pm EDT

Thursday, June 11, 11:00 am-1:00 pm EDT

There will also be a follow-up event where we can share outcomes and initiatives with participants from all the networks, sometime in August after all the individual Peer Network Summits are over.

WHERE:

Online, via Zoom

COST:

\$499
